To Patients of Suzanne Liu:

Suzanne will be starting her Maternity Leave of Absence from Mid-Main Community Health Centre on March 20, 2020. Her anticipated date of return is Jan 2, 2021.

The team at Mid-Main is committed to caring for you. If you require a medical appointment after March 20, 2020, please book with Dr. Dash Randsalu. He will be providing care for Suzanne's patients during the time she is away.

Upon her return next year, Suzanne and Dash will work together in a shared practice. Their patients will be able to request one of them as their primary clinician but will be free to book with either as needed.

Yours sincerely,

Mid-Main Medical Clinic
