Message to all Medical Patients

We are currently available for video or phone visits as well as in-clinic visits. During this pandemic, all “in-office” visits are scheduled at the direction of the clinicians. Our physicians are providing afterhours on call services as previously. Mid-Main Clinic has remained open throughout the COVID-19 pandemic with our usual hours.

To book an appointment:

Go to our website at www.midmain.net

Please note:

- Patients with same day and **urgent concerns** can call the office directly.
- Patients **without** internet access can call the office directly and book a phone visit.
- For COVID-19 questions or concerns, please see the [BC COVID-19 Symptom Self-Assessment Tool](#)

Susan Troesch – Clinical Pharmacist Retires

Susan has had an amazing career at Mid-Main for over 20 years. She has been a valuable member of the medical team and will be missed by us all. We want to thank her for her hard work, innovation, and commitment to excellent patient care.

New **Afterhours** Answering Service – Follow the prompts from our afterhours phone message to reach our new answering service.

Please note the **old number is not active**.
